

# EmployerConnect™

Powered by 4BlackYouth.com

*4blackyouth.com's EmployerConnect™ platform combines the latest in cutting-edge technologies, social mediums and demographic expertise to allow employers to efficiently locate, pipeline and recruit top African-American students and graduates.*

## Social Media Connections

Your job listings, internships, events and news will be published on FaceBook, Twitter and other social mediums.

## Recruitment and Outreach Calendar

The Recruitment and Outreach Calendar is a powerful tool to publicize your recruitment initiatives to drive greater participation.

## Media Gallery

EmployerConnect™ is an ideal place to aggregate your existing digital media content to strategically support your recruitment efforts.

## Prospect Reports

You will have the option of receiving monthly or bi-weekly reports of verified contact information on prospective candidates who have responded to your call to action.

## Job Listings

You will have unlimited listings of your jobs and internships!

## Interactions

Potential candidates will have the opportunity to review frequently asked questions and dialogue with your representatives to learn more about careers at your company.

## Reach

EmployerConnect™ extends your message into schools, churches and civic organizations where top-performing students can be found but not reached through traditional means.

## Audience

Our site visitors are a mixture of high-school, college, grade school students and parents who arrive at our site through search engines, word-of-mouth, advertising and direct links from colleges, universities, and civic organizations.
